PARISH MISSION

The Cathedral Parish of Annunciation is a Community of Disciples called to **WELCOME** all to **CELEBRATE** God's love in Eucharist and Sacrament, and to **GROW** in our faith and commitment in order to **SERVE** others in justice and love.

MISIÓN PARROQUIAL

La Catedral de la Anunciación es una Comunidad de Discípulos llamados a **ACOGER** a todos, a **CELEBRAR** el amor de Dios en la Eucaristía y los Sacramentos, y a **CRECER** en nuestra fe y compromiso para **SERVIR** a los demás en la justicia y el amor.

MESSAGE FROM THE PASTOR / MENSAJE DEL PÁRROCO

"The Father celebrates the king's wedding, his Son's, when he unites him with the Church in the mystery of the incarnation. And the womb of the Virgin Mary has been the bridal chamber of this spouse." (St. Gregory the Great)

The parable speaks of the tendency to reduce happiness to the self-realization to please our interests. This is why the invitees decline the invitation, some leave for their lands, others for their businesses. The happiness

"El Padre celebra las bodas del rey, de su Hijo, cuando le une a la Iglesia en el misterio de la encarnación. Y el seno de la Virgen María ha sido la cámara nupcial de este esposo". (San Gregorio Magno).

La parábola nos habla de la tendencia de reducir la felicidad a la autorrealización, a buscar complacer nuestros intereses. Por esto los invitados rechazan la invitación, unos se retiran a sus tierras, otros a sus negocios. La felicidad propuesta por el evangelio no se puede desligar de

proposed by the gospel cannot be separated from the personal relationship with God and with others.

It is worth to meditate on the rosary, if you have accepted the invitation to the banquet, if you believe in eternal life and if you are responding to live eternally with the King in His wedding feast.

What we learn from the saints about the devotion to the holy rosary:

St. Alphonsus Maria Liguori

"Among all the tributes that are due to the Mother of God, I do not know none more pleasant than the Rosary".

REFLECTION by Blessed Mary of Agreda

"O my daughter! If all the believers in the holy catholic faith opened their hardened and stony hearts in order to attain to a true understanding of the sacred and mysterious blessing of the holy Eucharist! If they would only detach themselves, root out and reject their earthly inclinations, and, restraining their passions, apply themselves with living faith to study by the divine light their great happiness in thus possessing their eternal God in the holy Sacrament and in being able, by its reception and constant intercourse, to participate in the full effects of this heavenly manna! If they would only worthily esteem this precious gift, begin to taste its sweetness, and share in the hidden power of their omnipotent God! Then nothing would ever be wanting to them in their exile. In this, the happy age of the law of grace, mortals have no reason to complain of their weakness and their passions, since in this bread of heaven they have at hand strength and health. It matters not that they are tempted and persecuted by the demon; for by receiving this sacrament frequently they are able to overcome him gloriously. The faithful are themselves to blame for all their poverty and labors, since they pay no attention to this divine mystery, nor avail themselves of the divine powers, thus placed at their disposal by my most holy Son . . . Lucifer and his demons have such a fear of the most holy Eucharist, that to approach it, causes them more torments than to remain in hell itself. Although they do enter churches in order to tempt souls, they enter them with aversion, forcing themselves to endure cruel pains in the hope of destroying a soul and drawing it into sin, especially in the holy places and in the presence of the holy Eucharist." — Words of Our Lady

la relación personal con Dios y con los demás.

Vale la pena que medites en el rosario, si estás aceptando la invitación al banquete, si crees en la vida eterna y si estás respondiendo para vivir eternamente con el Rey en sus bodas.

Lo que aprendemos de los santos acerca de la devoción al santo rosario:

San Alfonso María de Ligorio

"Entre todos los tributos que se le hacen a la Madre de Dios, no conozco ninguno más agradable que el Rosario".

REFLEXIÓN por la Beata María de Agreda

"¡Oh hija mía! ¡Ojalá los creyentes en la santa fe católica abrieran sus corazones endurecidos y pedregosos para alcanzar una verdadera comprensión de la sagrada y misteriosa bendición de la sagrada Eucaristía! Si tan sólo se desprendieran, desarraigaran y rechazaran sus inclinaciones terrenales y, reprimiendo sus pasiones, se aplicarán con fe viva a estudiar con la luz divina su gran felicidad de poseer así a su Dios eterno en el santísimo Sacramento y de poder, ¡Por su recepción y constante intercambio, para participar de todos los efectos de este maná celestial! ¡Si tan solo estimaran dignamente este precioso regalo, comenzaran a saborear su dulzura y participaran del poder oculto de su Dios omnipoente! Entonces nunca les faltaría nada en su exilio. En esta edad feliz de la ley de la gracia, los mortales no tienen por qué quejarse de sus debilidades y de sus pasiones, ya que en este pan del cielo tienen a mano la fuerza y la salud. No importa que sean tentados y perseguidos por el demonio; porque recibiendo este sacramento con frecuencia pueden vencerlo gloriosamente. Los mismos fieles son culpables de toda su pobreza y de sus trabajos, ya que no prestan atención a este misterio divino, ni se valen de los poderes divinos, así puestos a su disposición por mi Hijo santísimo... Lucifer y sus demonios tienen tal temor a la Santísima Eucaristía, que acercarse a ella les causa más tormentos que permanecer en el mismo infierno. Aunque entran en las iglesias para tentar a las almas, lo hacen con aversión, obligándose a soportar dolores crueles con la esperanza de destruir un alma y arrastrarla al pecado, especialmente en los lugares santos y en presencia de la Sagrada Eucaristía." —Palabras de Nuestra Señora
