MESSAGE FROM THE PASTOR / MENSAJE DEL PÁRROCO

Autumn's cool mornings, cooler days, changing of the colors, and the harvesting of the crops bring to mind the upcoming civil holiday of Thanksgiving—this year celebrated on Thursday, November 25. While Americans set aside one day annually to give thanks for the blessings God has bestowed on us, we Catholics have thanksgiving at the heart of what we do each and every day in the celebration of the Eucharist.

As you know, the word Eucharist comes from the Greek and means to give praise and thanks. In the Eucharistic Prayer, the Church remembers and makes present the passion, death, and

Las mañanas frescas del Otoño, días más fríos, el cambio de colores, y la cosecha de las siembras, nos traen a la mente la próxima festividad del día de Gracias —celebrado este año el Jueves, 25 de Noviembre. Mientras los estadounidenses apartan anualmente un día para dar gracias a Dios por las bendiciones que hemos recibido de Él, nosotros, los Católicos, tenemos el Día de Gracias muy en el corazón de lo que hacemos cada día y todos los días en que celebramos la Eucaristía.

Como ya saben, la palabra Eucaristía viene del Griego y significa alabar y dar gracias. En la Oración Eucarística, la Iglesia recuerda y hace presente

resurrection of the Lord Jesus, who joins us to himself to give praise and thanks to the Father in the unity of the Holy Spirit. Over simple bread and wine, we the Church give thanks and praise to God for the salvation we have been given in Jesus' victory over sin and death and are nourished sacramentally with his Body and Blood.

As Catholics, we are called to live in gratitude not just a Mass on Sunday but every day. Each day, we can choose how we will face the day, whether it be from a place of anger, jealousy, bitterness, fear, envy, etc. Or we can face the day, as the saying goes, with an attitude of gratitude. While it is admittedly easier to say Thank You when things are going well, do we actually say it when they are? Even in difficult times and circumstances, however, expressing one's gratitude is an opportunity to remember and connect with others going through the same kind of thing we are.

In preparation for the next celebration of the Eucharist, in preparation for the national feast of Thanksgiving, take some time to reflect on how you can acquire or improve your attitude of gratitude.

Father John

la pasión, muerte y resurrección de Jesús, nuestro Señor, quien nos une a Él para alabar y dar gracias al Padre en unión del Espíritu Santo. Simplemente con pan y vino, nosotros, la Iglesia, damos gracias y alabamos a Dios por la salvación que se nos ha dado en la victoria de Jesús sobre el pecado y la muerte y somos nutridos sacramentalmente con Su cuerpo y sangre.

Como Católicos, estamos llamados a vivir con gratitud, no sólo en Misa los Domingos, sino que todos los días.. Cada día podemos decidir cómo enfrentaremos el día, ya sea con cólera, celos, amargura, miedo, envidia, etc. O podemos enfrentarlo como dice el dicho, con actitud de gratitud. Mientras que es más fácil decir Gracias cuando todo va bien, ¿lo hacemos actualmente cuando las cosas vienen bien? Aún en tiempos y circunstancias difíciles, sin embargo, expresando nuestra gratitud es una oportunidad para recordarnos y conectarnos con otros que están pasando por dificultades o tiempos difíciles, iguales a los que estamos pasando nosotros.

En preparación para la próxima celebración de la Eucaristía, en preparación para la fiesta nacional del Día de Gracias, hagan un tiempo para reflexionar en cómo pueden adquirir o mejorar su actitud de gratitud.

Padre Juan
