Annunciation School is dedicated to providing an environment that teaches the "whole" student, where students are guided to achieve a healthy balance: spiritually, physically, intellectually, socially, and emotionally. We strive to produce ambitious students who use their faith-based values to reach their full potential while never losing sight of the call to serve others. - Third grade spent the day living as pioneer children at the San Joaquin County Historical Museum. *Valley Days provides students the opportunity to develop an understanding of the lifestyle of the people who lived in San Joaquin County in the late 1800's.*
- The 5th grade class had the opportunity to experience the wonder of space exploration and see what it is like to work for NASA at the Powerhouse Science Center in Sacramento.
