**“The Poppy Lady”**

On Memorial day (and on Veterans Day in November), millions of red crepe paper poppies will be distributed in honor of military veterans. The time-honored practice was begun by an American professor at the University of Georgia who wanted to remember those who served in World War I.

Moina Bell Michaels read the poem “In Flanders Field” and inspired her to wear the Flanders Field Memorial Poppy and began the project of making it a national emblem of remembering war veterans, as a way to raise funds for disabled and needy veterans.

The project has since then raised millions of dollars for the rehabilitation and employment of disabled veterans.

Moina Michaels died in 1944.

### Field Day Fun!

Friday marked our last day of school with our annual Field Day Event! The 7th grade team captains led their teams, made up of kindergarten through 6th grade students, through a variety of competitive outdoor games. There was a lot of cheering, laughing, and supporting one another through each event. Thank you to all of our school parents and St. Mary's student volunteers for helping us make this day a great ending to an amazing school year!

### Thank you Safety Patrol

Our dedicated Safety Patrol volunteers were treated to an afternoon picnic this week to thank them for their commitment to providing a safer environment for their peers. Each day, before and after school, these volunteers assist students to and from their cars to keep traffic flowing and help with crossing guard duty. We thank them for answering their call to serve.
