Confirmation 'Slap'

Up until 1972, part of the confirmation ritual was a "slap" on the cheek of the person being confirmed.

The gesture was intended as a reminder that the newly-confirmed candidate was to be ready to defend the faith at all costs. It was a "tough love" reminder that one may have to suffer for the faith.

In the early Church, the slap was more of a "pat" accompanying the bishop's words: "Peace be with you."

When the rite of confirmation was revised in 1972, the slap was taken out of the ritual.

A Note from Peter Rainwater

After graduating from Franciscan University this past May, I accepted a position with **FOCUS** ministries. I will begin training this summer in Bismarck, North Dakota and during that time, be assigned a college campus to serve at in the Fall for at least the next two years.

FOCUS seeks to meet Saint Pope John Paul II's call for a New Evangelization--practically, it calls students to practice an exterior conversion of faith, but ultimately strives to encourage students to pursue an interior conversion, giving a total surrender over to God. I must raise a minimum of \$2100 a month. This money raised ensures that I will be an employee of **FOCUS** rather than of the university. If you would like to learn more about the organization, the specific mission work, or help support Peter in his mission, email him at rainwater.peter@gmail.com. The ability to donate online directly to him through the **FOCUS** website will be made available soon.

Sharing Our Daily Bread Ministry:

Our regular monthly food drive will take place next **Saturday** and **Sunday, June 8 and 9** at all the Masses. Please continue to be generous in sharing with our community's hungry families. Please bring nonperishable food items to Mass next weekend.

El Ministerio de Compartamos El Pan de Cada Día:

Nuestra colecta mensual de alimentos se llevara a cabo el próximo fin de semana **Sábado 8 y Domingo 9 de Junio** en todas las misas. Por favor traiga alimentos que no sean perecederos. Gracias por su continua generosidad.

THE DATING PROJECT

[Save the dates: July 1, 8, 15, and 22, 2019.](#)

The DATING Project:

Summer sessions for young adults ages 21-35.

Half of America is single. The way people seek and find love has radically changed.

The trends of hanging out, hooking up, texting and social media culture have created a dating shortage, Dating is now "outdated," yet men and women are still seeking meaningful relationships.

This curriculum guide has been developed to assist all those who restore a dating culture for young people. It will provide them with hope and the tools to find and develop strong, healthy relationships, while learning more about themselves and the society they live in.

Registrations available at the Parish House.

Diocese of Stockton Safe Environment Office

LISTEN TO YOUR CHILDREN

This summer, when your children are out of school and on different schedules, meeting new people and going to new places, make sure that you talk to them often about their experiences and the people they've met. Listen carefully to your children. If possible, observe and get to know the other children and adults who are part of your children's summertime fun. Above all, communicate your safety concerns to your children. Make sure they know that they can come to you with any concerns they may have about the people they interact with. And if you hear of or observe behaviors that may be inappropriate, make sure to communicate your feelings to people who are in a position to intervene. Communication is key to creating and maintaining a safe environment all year round.
