**Why The DATING Project?**

The Dating Project is more than a film. This is a movement.

It is a movement to revive, reclaim, and restore dating. Dating can, and should be, a manifestation of the *good, the true, and the beautiful* – the universal human experience of ethics, logic, and aesthetics.

*Half of America is single.*

The way people seek and find love has radically changed.

This curriculum guide has been developed to assist all those who restore a dating culture for young people. It will provide them with hope and the tools to find and develop strong, healthy relationships, while learning more about themselves and the society we live in.

*Summer sessions for young adults ages 21-35.*

*July 1, 8, 15, and 22 7:00 to 8:30 pm in the gym*

*1120 N Lincoln Street*

*For questions, please call us at the parish house (209) 463-1305 or e-mail the Young Adult Ministry at [yam@annunciationstockton.org](mailto:yam@annunciationstockton.org)*

**THE  
DATING  
PROJECT**

**Message from Bishop Myron Cotta**

As many of you know, Bishop Emeritus Stephen E. Blaire cared deeply about the environment. Within the California Catholic Conference, Bishop Blaire served as the Chairman for the Ad Hoc Committee on Environmental Stewardship. This committee was a driving force behind the California Conference of Catholic Bishops' Pastoral Statement, "God Calls Us All to Care for Our Common Home," released yesterday, June 18, 2019, on the fourth anniversary of Laudato Si': "On Care for Our Common Home."

Bishop Blaire will be remembered for many things. His work and dedication for the care of the environment as expressed in this statement will certainly be among them.
