Message from Bishop Myron Cotta

As many of you know, Bishop Emeritus Stephen E. Blaire cared deeply about the environment. Within the California Catholic Conference, Bishop Blaire served as the Chairman for the Ad Hoc Committee on Environmental Stewardship. This committee was a driving force behind the California Conference of Catholic Bishops' Pastoral Statement, "God Calls Us All to Care for Our Common Home," released yesterday, June 18, 2019, on the fourth anniversary of Laudato Si': "On Care for Our Common Home."

Bishop Blaire will be remembered for many things. His work and dedication for the care of the environment as expressed in this statement will certainly be among them.

Please visit our website for the full document: <https://annunciationstockton.org/bulletins>

In lieu of flowers, donations in memory of Bishop Emeritus Stephen E. Blaire can be made to the Priest Retirement Fund, c/o The Diocese of Stockton, 212 N. San Joaquin Street, Stockton, CA 95202. Please make checks payable to Roman Catholic Bishop of Stockton Priest Retirement Fund.

Why The DATING Project?

The Dating Project is more than a film. This is a movement.

It is a movement to revive, reclaim, and restore dating. Dating can, and should be, a manifestation of the **good, the true, and the beautiful** – the universal human experience of ethics, logic, and aesthetics.

Half of America is single.

The way people seek and find love has radically changed.

This curriculum guide has been developed to assist all those who restore a dating culture for young people. It will provide them with hope and the tools to find and develop strong, healthy relationships, while learning more about themselves and the society we live in.
