- Participation in three mandatory fundraisers during the preschool year (These include the fall kick-off fundraiser, the spring fundraiser, and our end of year raffle)
- Fundraiser fees are assessed for non or partial participation in our three mandatory yearly fundraisers. The fee reflects the financial obligation of that particular fundraiser

PAYMENT INFORMATION:

Tuition rates are based on an eleven-month fee (August through June). Tuition and any fees are due on or before the 1st of each month.

Families have two payment options. Families may choose to:

- Pay August through June.
- Amortize June's payment and pay August through May.

An account is considered delinquent if the payment is received after the 15th of the month. If an account is delinquent over 60 days, a child's enrollment may be jeopardized. For special circumstances, arrangements must be made with the Director and/or Pastor. All monies owed to the school must be paid before a student can enroll for the following year

Students may not transfer from another Catholic school until all outstanding balances at the previous school are paid.

Annunciation Preschool sets tuition rates once a year prior to preschool registration in March as a courtesy to our families. This policy meets community care licensing regulations specified by the State of California.

Refunds may be granted under special circumstances and at the discretion of the Director.

See below for refunds related to Campus Closures.

SCHOOL CAMPUS CLOSURE and COMMUNICATION

Students and families are best served when the school is open. Therefore, decisions regarding closure are made in consideration of many factors, particularly with regard to student and staff safety. Unplanned school closure may occur for a variety of reasons.

If the school administration should deem the running of the school either unsafe or infeasible, school will be closed until safety and feasibility can be reasonably restored. Tuition will continue to be assessed at part time tuition rates and payments to be collected during all closures provided distance learning is provided.

If more than two (2) days are missed due to unscheduled school closures, these days must be made-up at the end of the school year. Families are advised to reserve the week after the scheduled school ending for potential make-up days; vacations should not be scheduled for this week.

Should the school campus close and distance learning is not provided, the following refund policy will be in place:

- If a family paid in advance, the money will be applied to fees when the facility reopens
- If a family has not paid in advance, no charges will be applied.

WITHDRAWALS:

Each child will be enrolled for the entire school year or the balance of the school year. Two weeks prior notice must be given in writing, or two weeks tuition is payable upon your child's withdrawal from the program before June 23rd, 2023. Tuition cannot be refunded after June 9th, 2023. Upon notice by parents/guardians, an exit interview must also take place with the Director. Tuition will be prorated by day beginning two weeks after notice is given. Tuition will not be prorated for the two weeks immediately following notice.

All other fees/obligations will not be prorated. The annual registration fee is non-refundable.

CONDITIONS UNDER WHICH THE AGREEMENT MAY BE TERMINATED.

It is important to us that we have a good fit between your family and the Annunciation Preschool program. There are times when the preschool Director may recommend an alternative childcare program for you and your child. The following outlines some, but not all, of the possible scenarios:

1. Child will not benefit from continued participation in the Annunciation Preschool program.
2. Child and family’s continued participation would make demands upon the program that cannot be met.
3. Parents/guardians have failed to meet the expectations of parents, which were agreed upon when the child was enrolled in the program.
4. Parents/guardians have failed to meet the obligations of the preschool, which were accepted upon when the child was enrolled in the program.
5. Parents/guardians have been uncooperative with the preschool staff, procedures and policies stated in the parent handbook.
