Friendship Fruit Salad

Dear Parents,

We will be serving Friendship Fruit Salad Wednesday, August 25, 2021. The purpose of this project is to develop a sense of community as they contribute to this “no-cooking” activity, and to introduce them to healthy foods.

We ask that parents bring one piece of fruit and please check the list for your assigned fruit. Families are assigned alphabetically by last name. We look forward to your contributions and support of this fun project.
